To Whom It May Concern:

I have the pleasure of managing Kathada Bert Ongkeo, with Levy Restaurants / Compass Group USA at the Barclay's Center arena in Brooklyn, New York. Kathada works for me as a Cook. His daily duties consist of setting up for the Suites and our new Parm Restaurant concept, cooking, preparing, distribution of food, training of staff, cooking of various dishes, and assisting me with the day to day operations. He also assists in daily inventory and record keeping.

Kathada is an intelligent and motivated individual. He is more than capable of taking direction, paying attention to detail, and as a Cook; Kathada is always able able to complete any, and all tasks assigned to him in a timely and professional manner.

On the interpersonal side, Kathada has superior written and verbal communication skills. He gets along extremely well with, and is highly respected, both as a person and a professional, by his fellow employees, managers, and clients alike.

Kathada is an asset to my team, and will be missed when he leaves to further his career goals. In closing, as detailed above, based on my experience working with him, I can unreservedly recommend Kathada to you, for a position in your organization.

If you would like additional information about Kathda, you can telephone me at (631) 455-6298 or email me at [RRivas@LevyRestaurants.com](mailto:RRivas@LevyRestaurants.com)
